ATTENTION: HUNTER RESPONSIBILITY WHEN BOOKING AN OUTFITTER OR PROFESSIONAL GUIDE. No person shall directly or indirectly compensate a person holding himself out as engaging in the business of, or acting in the capacity of, an outfitter or a professional guide unless that person provides proof that he is a licensed outfitter or professional guide as required by this act. Any person violating this statute is guilty of a misdemeanor. Before hiring an outfitter, the Wyoming Game and Fish Department advises hunters to consult the Wyoming State Board of Outfitters and Professional Guides to verify the outfitter is licensed by the State of Wyoming. Hunters should also be aware landowners who outfit on their own deeded land, or deeded lands leased to them, are not required to be licensed as outfitters or guides. Contact: Wyoming State Board of Outfitters at 1950 Bluegrass Circle #280, Cheyenne, Wyoming, 82002 or call toll-free 1-800-264-0981.

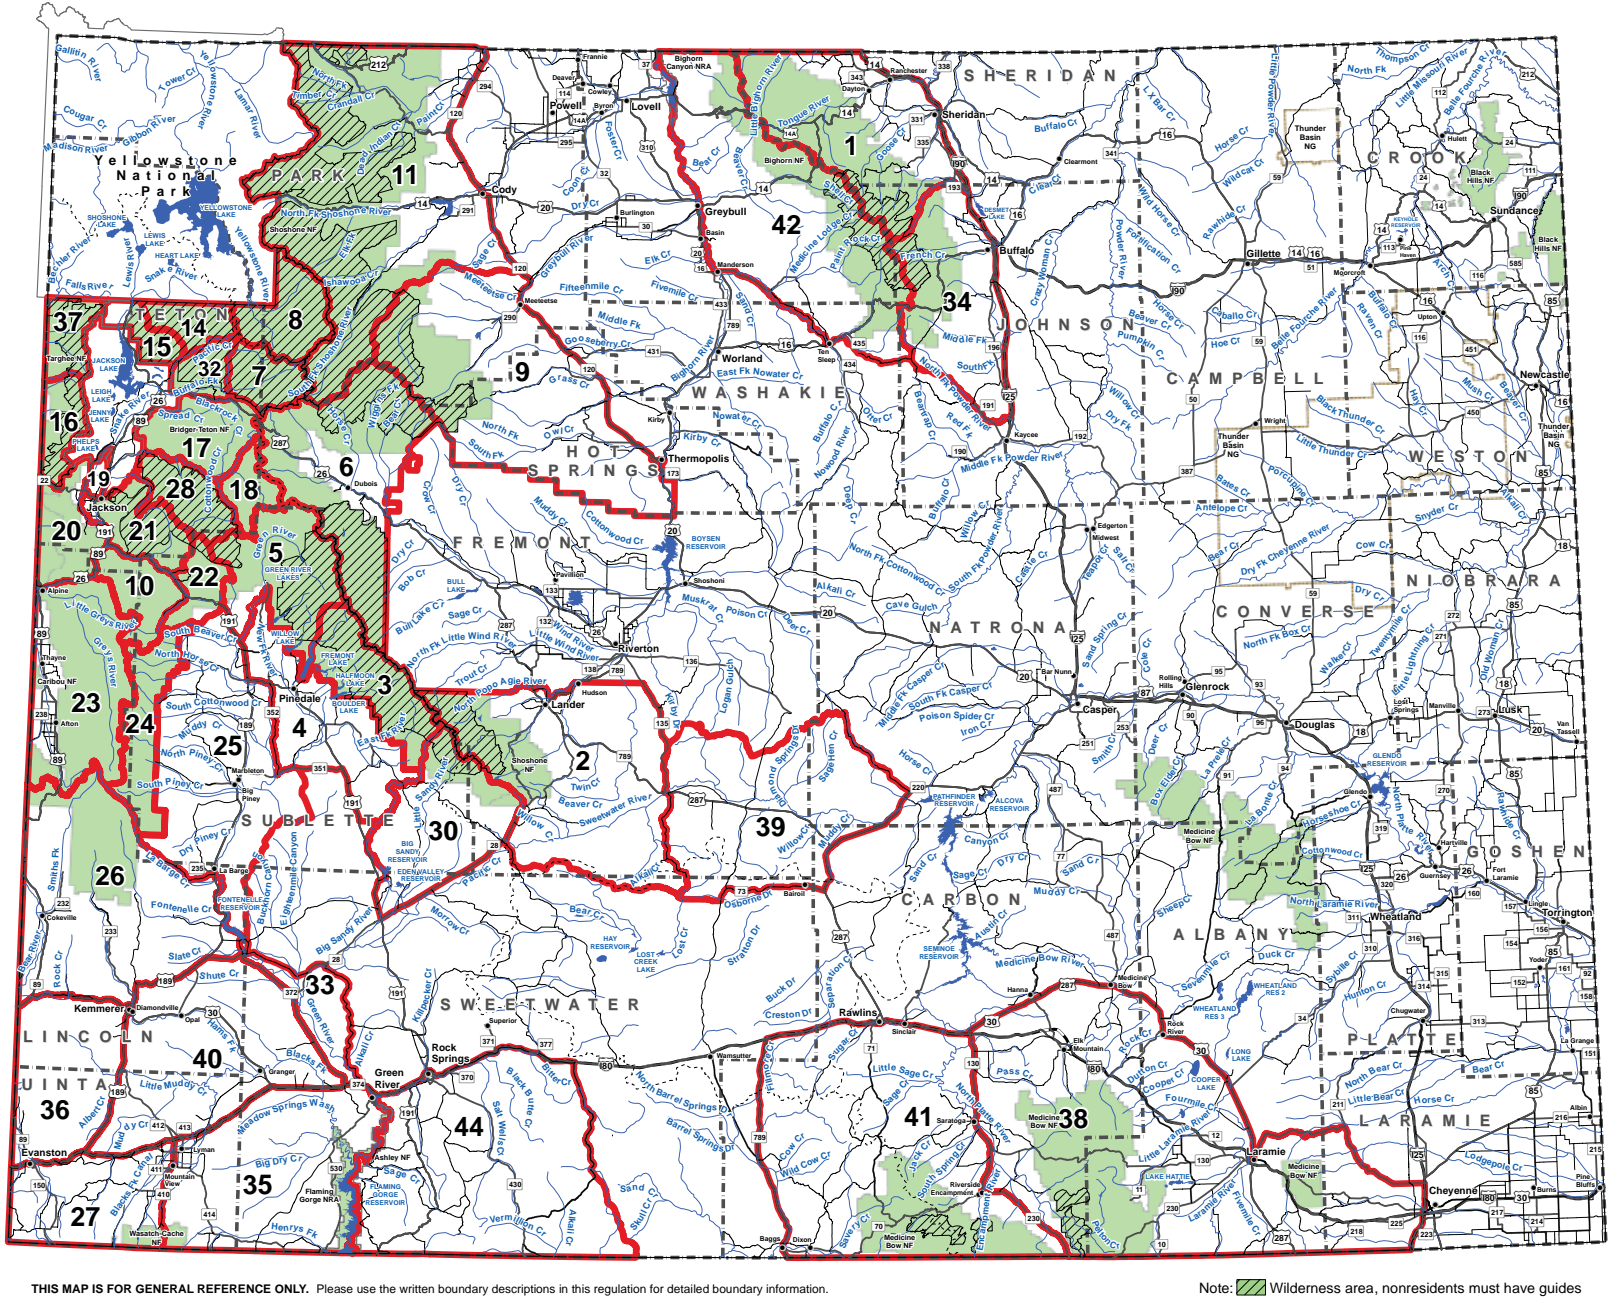

PRECAUTIONS WHEN HUNTING IN AREAS OCCUPIED BY GRIZZLY BEARS. Hunters and anglers are reminded that many areas in and around the Bridger-Teton, Shoshone, and Caribou-Targhee National Forests in northwest Wyoming are occupied by grizzly bears. The Wyoming Game and Fish Department strongly recommends individuals working and recreating in these areas take precautions, including carrying bear pepper spray, to avoid conflicts with grizzly bears. Information about human safety in occupied grizzly habitat and proper storage of food and other attractants is available from Regional Offices and Cheyenne Headquarters, U.S. Forest Service Offices, and the Department’s website at <http://wgfd.wyo.gov>. Regulations concerning human activities in occupied grizzly habitat and food/carcass storage can be obtained from the Forest Service. Report conflicts with grizzly bears to the nearest Regional Office.
